Dear Colleagues!

We are pleased to provide you with information on 7-th Kyiv international mathematical festival. It is organized by Main Education and Science Board of Kyiv City State Administration, Pechersk regional administration, Institute of Mathematics of National Academy of Science of Ukraine, Physics Technical Institute and Kyiv-Pechersk lyceum # 171 "Leader".

The festival will be held from the 8-th till 12-th of May 2008.

The festival is open to students aged between 14 and 16 from every country of the world. Participants work in teams (but not fewer than 3-4 students of the same age). It is possible to organize a team from different schools. The number of participants is no more than 12 students of 8-9-10 forms and 1 or 2 teachers.

The program consists of: teams competitions in math (olympiad and "Math express"); team olympiad in physics.

The outstanding scientists from Institute of Mathematics will hold the seminars on problems in modern Mathematics, the solving of problems will be discussed.

Participants are proposed cultural program and excursions around Kyiv. The festival will take place in a picturesque Kyiv suburb Koncha-Zaspa. The participation in the festival is very important for the contestants, they gain the experience, show their abilities and the heads of the teams can discuss the problems of school education.

If you are interested in our proposal, please, contact us by e-mail festival@leader171.kiev.ua or by mail Leipzigska str. 11a, Kyiv, Ukraine, 01015. You can also register for the competition online. Deadline is 10th of March, 2008.

Participants are proposed the tasks of correspondence course and they are able to think over them and will be appreciated by the jury while arrive.

Accommodation is free.

The financial terms of participation will be send later.

Send us the letter of confirm as soon as possible, please.

Best regards,
Headmaster of the lyceum
